

Online Payment Options for Students in China

If you are a Chinese student studying abroad, you and your family can now take advantage of a convenient online option to pay student fees in Chinese Yuan.

Working with Geoswift, your institution provides a fast, reliable way to pay tuition and fees in your local currency using a credit or debit card. Your education institution will receive your student reference information along with your payment, which ensures that it reaches your student account quickly.

Steps to Making CNY Payments
