Rules of the Photo Scavenger Hunt

1) **Eligibility**: UW-Madison full-time international students in, and out, of the United States are encouraged to participate in the photo scavenger hunt.

2) **Masks & Safety**: Masks must be worn in any indoor location that is not your residence (apartment, residence hall room, etc.) as well as in outdoor locations where social distancing is not possible. Students should complete the photo scavenger hunt individually or with their roommates. Students in Madison must follow the **Badger Pledge**.

3) **Photos**: Do not take a photo of two clues together. Each clue must be in separate pictures. Photos should be selfies of you with the answer to the clue. No inappropriate behavior or gestures should be in the photo. Take the photos yourself; submitting another person’s photo(s) as your own is plagiarism and is not allowed.

4) **Posting**: When you post a photo, use the hashtag #UWGlobalBadger on Instagram or submit your photos to iss.media@studentlife.wisc.edu. Make sure to post the clue number in the description.

5) **Judging & Prizes**: Photos will be judged by a panel of ISS staff based on the criteria of creativity, artistic expression, photo quality, and number of clues correctly found. Winners will be announced on September 14th. Prizes will be awarded for 1st, 2nd, and 3rd place. Only photos submitted the week of September 7 – 11 will be considered for a prize.

6) **Permission**: By submitting a photo, you are granting ISS royalty-free permission to use, reproduce and distribute your photos in displays related to the contest, future printed and electronic publications, fundraising and promotional materials and the right to use your name and home country when giving credit to the photographer.
