

Getting cell phones and SIM cards in Madison

This post was created by Eren Fukuda, your fellow Global Badger and a member of the International Student Advisory Board (ISAB).

You might be wondering how you can stay connected with your new friends and family back home.

Where can I get a cell phone?

How do I get a U.S. phone number?

Where should I get a SIM card?

Here are some resources to get you started!

Where to go?

You can buy smart phones and SIM cards at many locations, including official retail stores, department stores, and electronic stores!

Here are some stores around Madison...

*These stores are all on
city bus routes or
walkable from campus!
Search locations using*

Google Maps

Cell service providers' stores

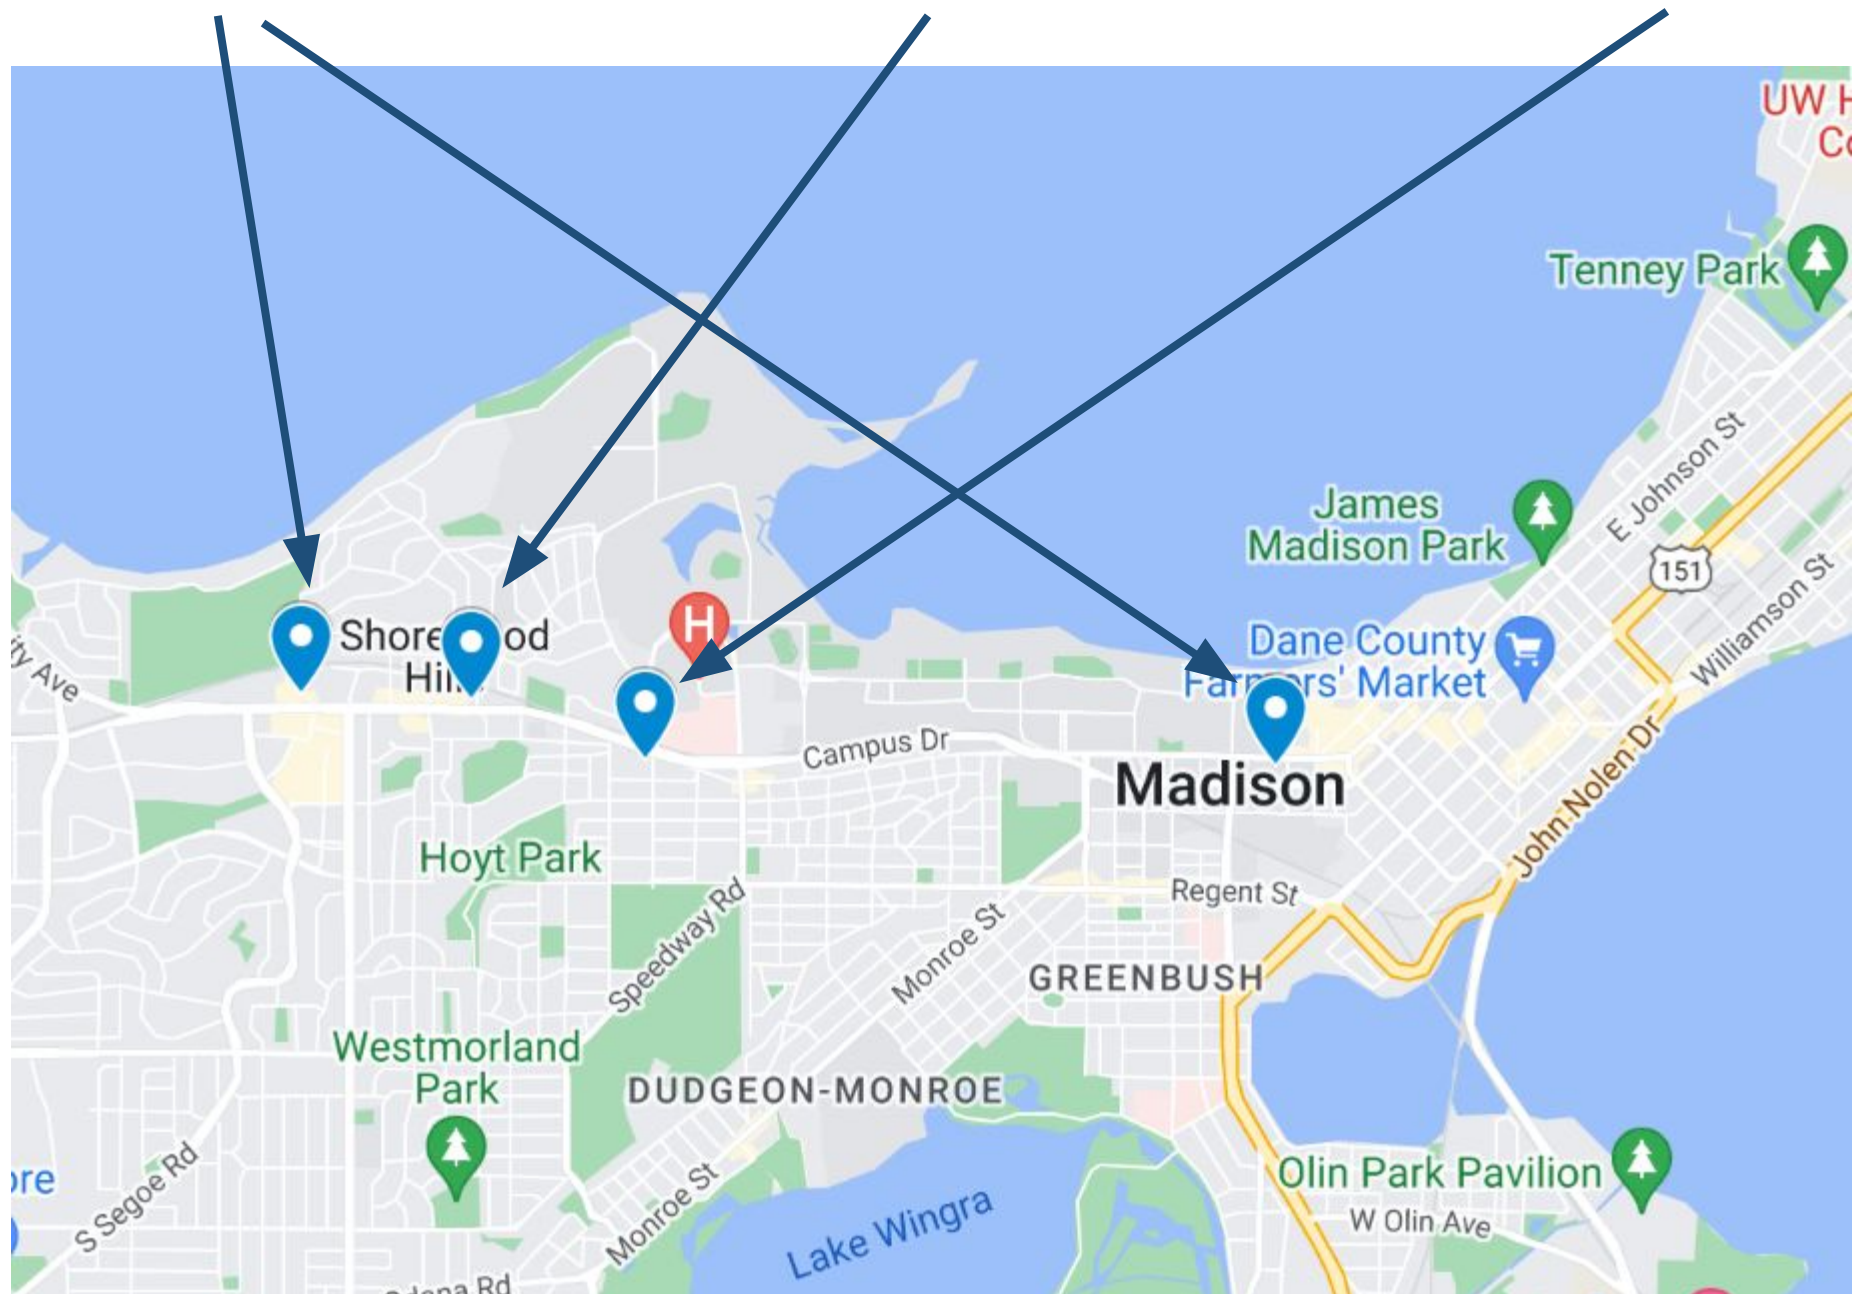

Here are the major U.S. cell phone service providers:

verizon✓

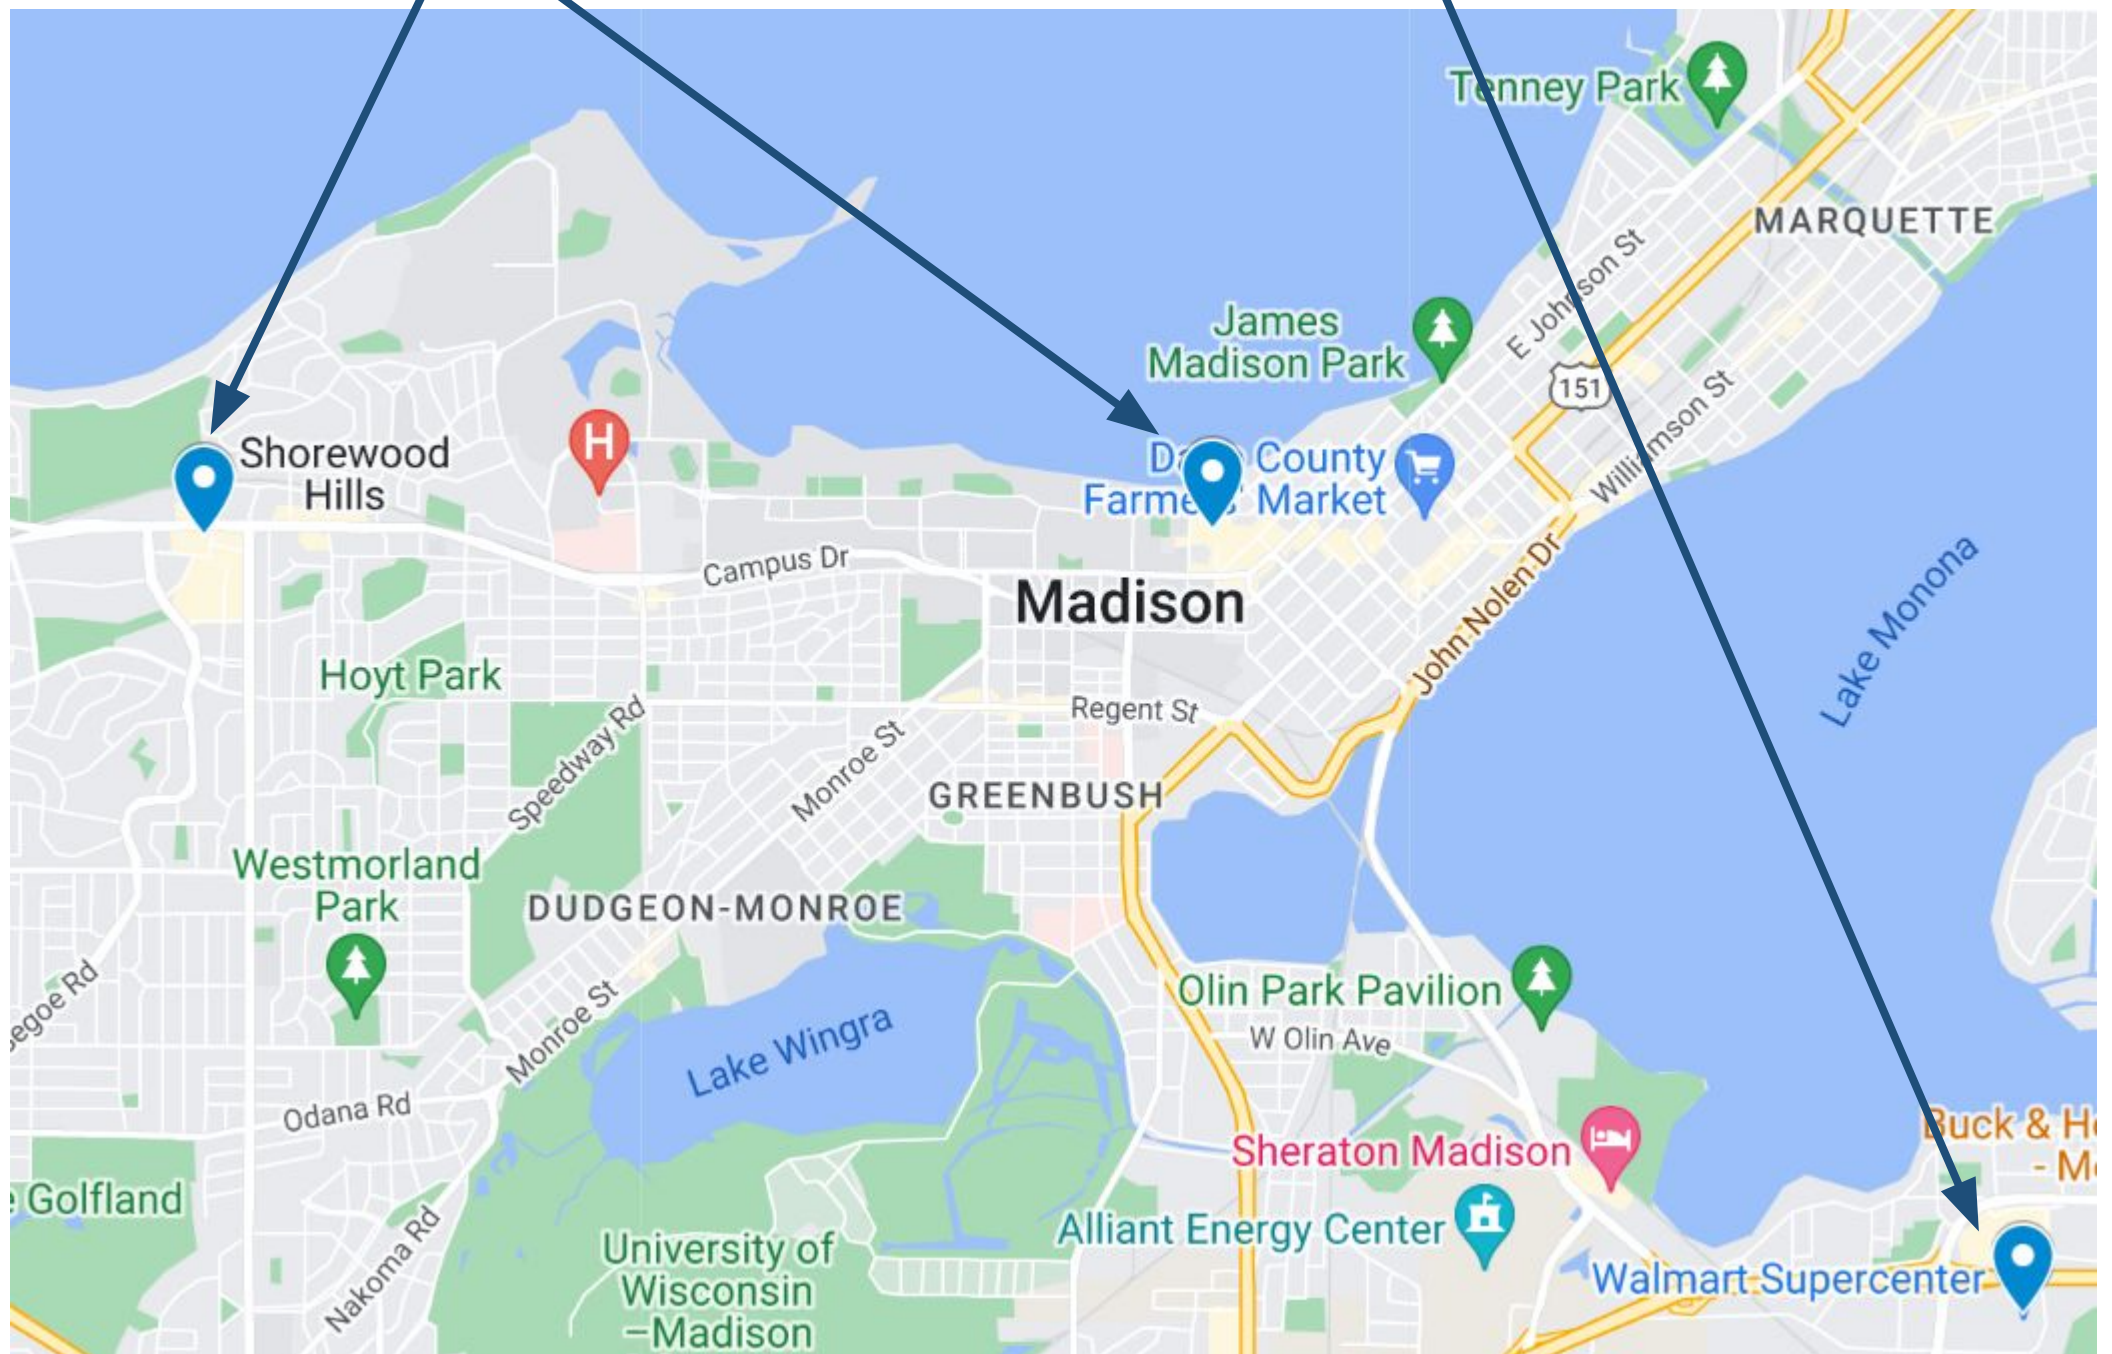

AT&T

T Mobile®

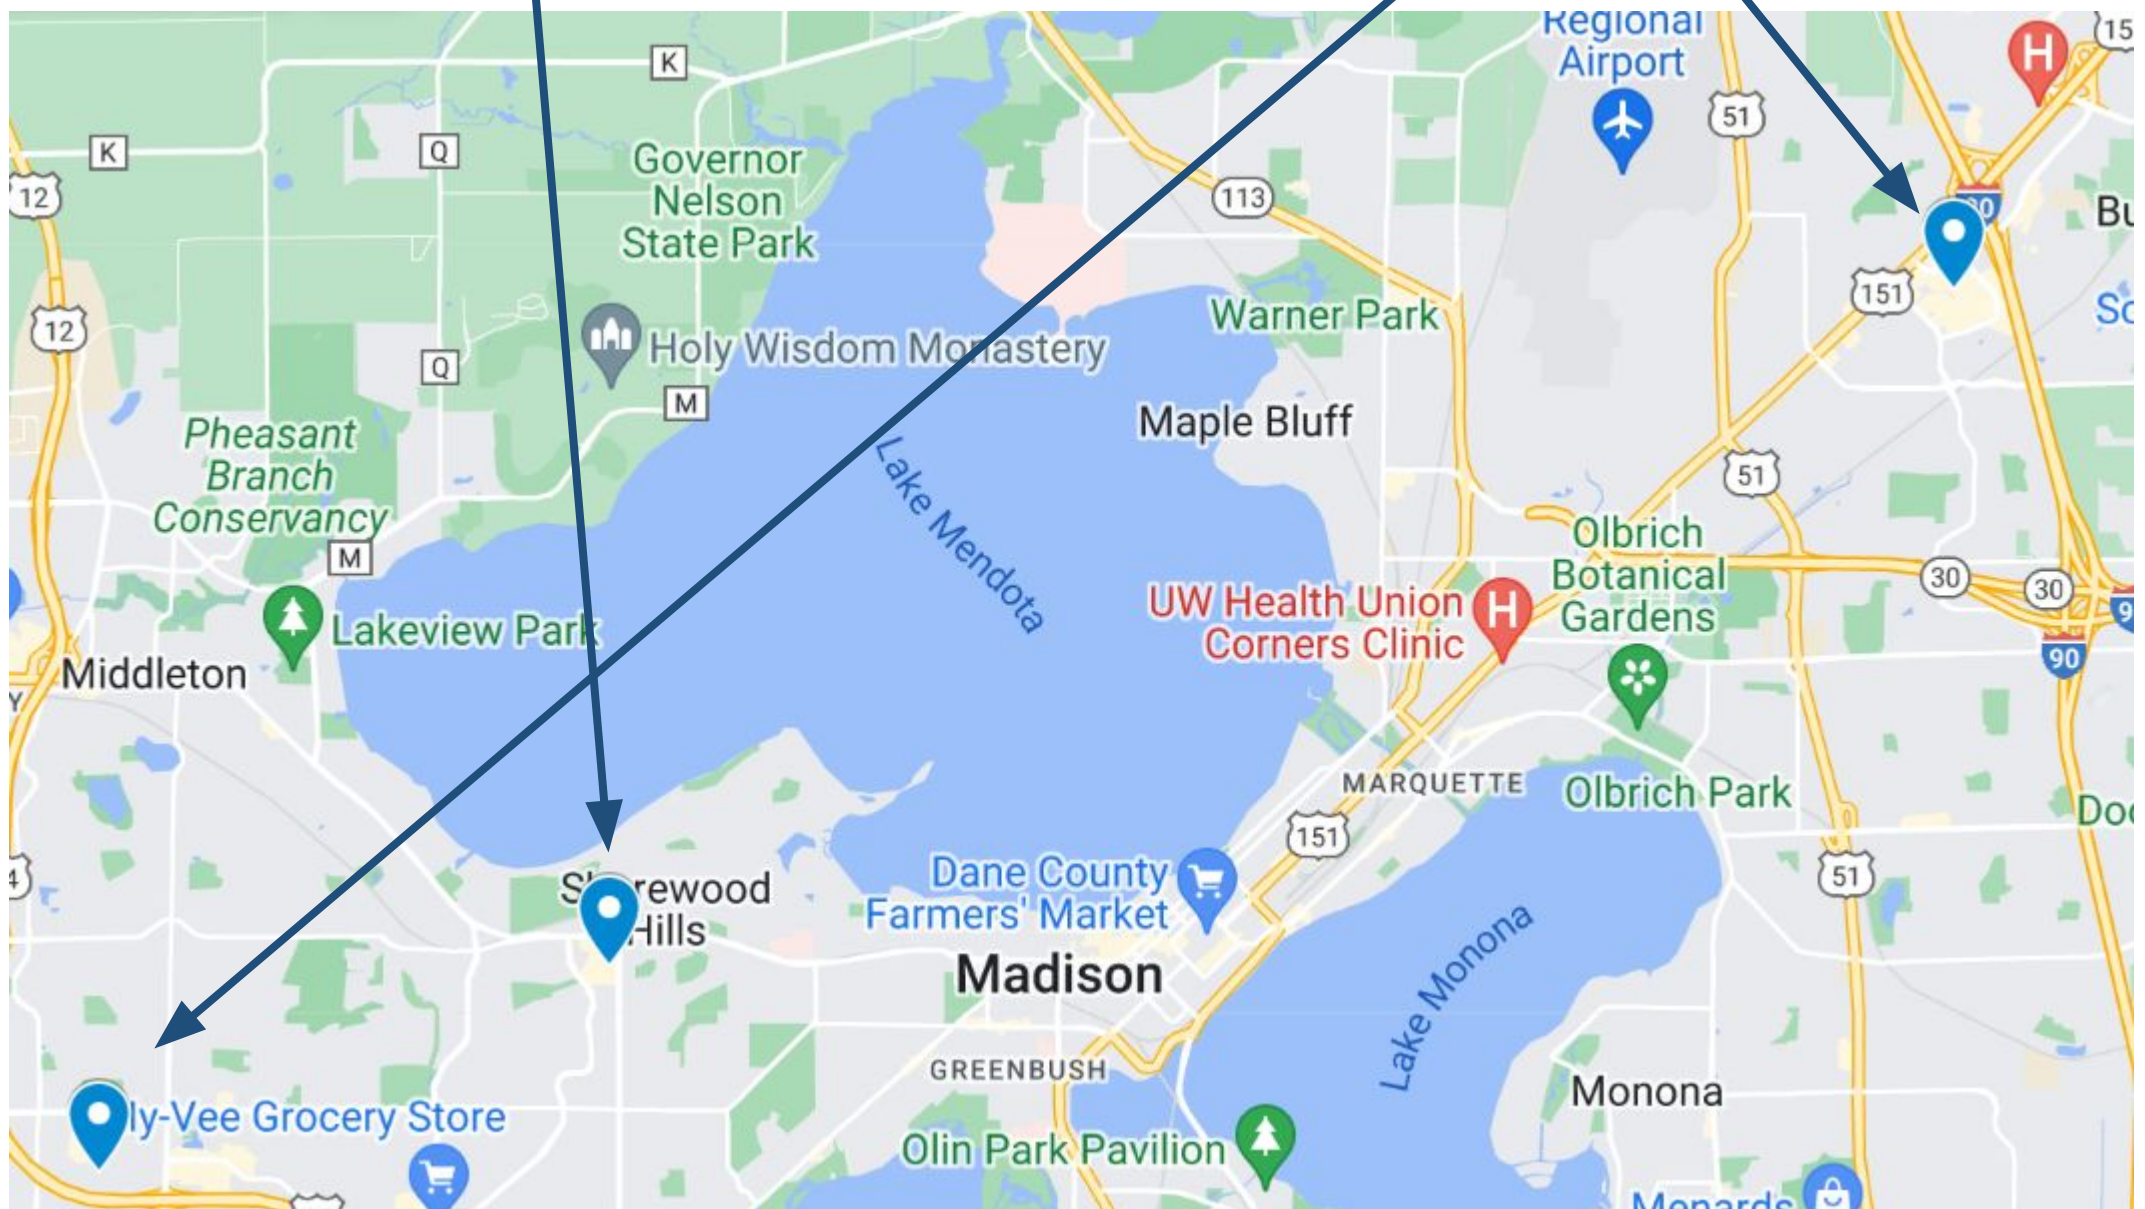

Department stores

Electronic stores

 **Apple Store**

Where else to look?

You can also look up cell service providers online, such as:

**Welcome to
Madison,
Global Badgers!**
