The screenshot shows the 'CAMPUS AREA HOUSING UNIVERSITY OF WISCONSIN-MADISON' website. The navigation bar includes links for Listings, Roommates, Subleases, Resources, Renter Education, Parking, and Renters Insurance. The main heading is 'Off-Campus Housing Marketplace' with a search bar below it. Below the search bar are three featured sections: 'Post Listing' (with an image of a laptop and phone), 'Tenant Resource Center' (with the 'TENANT RESOURCE CENTER' logo), and 'Find Off-Campus Housing' (with an image of a person on a couch). At the bottom, there is an 'Our Mission' section with a paragraph of text.

MADISON HOUSING MAP

Madison's unique geography means that campus, downtown, and off-campus student housing are all located in the same area.

MADISON HOUSING TIPS

- Most leases in Madison are from August 15th - August 15th the following year.
- Once you sign a lease, you are legally bound to paying for that housing.
- Always read through lease terms before signing a lease.
- Many students use unofficial sites or Facebook groups to find roommates or leases. These are not affiliated with the university, and therefore not always monitored. Be careful of potential scams on these pages.
